## COUNCIL COMMUNICATION

**AGENDA TITLE:** Award Contract for Electric Utility Substructures on Hwy. 99 s/o Kettleman Ln. and Thurman St. w/o Guild Ave. (\$52,270)

**MEETING DATE:** April 7, 1999

**PREPARED BY:** Electric Utility Director

**RECOMMENDED ACTION:** That the City Council award the contract for installation of electric utility substructures under and along Hwy. 99 s/o Kettleman Ln. and on Thurman St. from Industrial Substation to e/o Guild Ave. to the low bidder, Royal Electric Co., Sacramento CA, in the amount of \$52,270.

**BACKGROUND INFORMATION:** On March 23, 1999, five bids were received and opened for this project. The bid results are shown below:

Bidder	Amount
<b>Royal Electric Company, Sacramento CA</b>	<b>\$52,270.00</b>
Aronson Constructors, Rancho Cordova CA	58,648.00
Arrow Trenchless, Sacramento CA	69,840.00
Collins Electrical Company, Inc., Stockton CA	81,380.00
Crutchfield Construction Company, Stockton CA	82,400.00

This project will install substructures (electric conduits and vaults) under and along Hwy. 99 s/o Kettleman Ln. and on Thurman St. from Industrial Substation to e/o Guild Ave. The substructures will allow the Department to install underground cables as a portion of a main feeder being constructed to serve new industrial loads on Neuhart Dr.

Plans and Specifications for this project were approved by the City Council at the meeting of February 17, 1999. The bid opening date was set for March 2, 1999. However, changes in requirements for the Hwy. 99 crossing, by Caltrans, caused the issuance of an addendum and a change of the bid opening date to March 23, 1999. Caltrans required a steel casing for the crossing of the Highway rather than PVC conduit.

The Engineer's estimate for this project based on the design prior to changes by Caltrans was \$52,000.
